

The Rhinestone Diplomats: a Minnesota original rock band featuring Aaron Cabbage, Gene Hollister, Randy Olejnicak, Dave Wickiser & Steve Wold.

The RD's began with Aaron and Steve performing as an acoustic duo at area coffee shops and soon evolved into a 5 piece rock band performing at some of Minnesota's legendary rock clubs including First Avenue, The Cabooze, Lee's Liquor Lounge and The Fine Line Music Café. Summer of 2007 culminated with a performance at the 10,000 Lakes Festival. Their brand new 10 song CD *Diplomats for Cutie* (recorded by Mike Wisti of Rank Strangers at Albatross Studios) was completed in December. Stay tuned for a CD Release Party planned for March of 2008!

The RD's first 6 song EP, *Skeleton Hill*, was mixed and mastered by Tom Herbers (Gear Daddies, Low, etc), and *Sharing a Beer* from that album has been played on 89.3 The Current.
